

TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE

FISCAL MEMORANDUM

SB 2420 – HB 2635

March 28, 2018

SUMMARY OF ORIGINAL BILL: Authorizes the City of Hendersonville to add the bill notice for storm water user fees to the bill notice for property tax.

FISCAL IMPACT OF ORIGINAL BILL:

NOT SIGNIFICANT

SUMMARY OF AMENDMENT (016245): Deletes and rewrites language of the original bill such that the only substantive change would require the municipal legislative body to pass an ordinance by a two-thirds majority prior to implementing the proposed billing method.

FISCAL IMPACT OF BILL WITH PROPOSED AMENDMENT:

Unchanged from the original fiscal note.

Assumptions for the bill as amended:

- Pursuant to Tenn. Code Ann. § 68-221-1107, municipalities which construct, operate, or maintain storm water or flood control facilities are authorized to establish storm water user fees to be assessed and collected from each user of the facility.
- According to the City of Hendersonville, the city does not currently charge a storm water user fee; however upon its adoption will provide notice of such fees with the annual notice for property taxes assessed.
- Any vote required by the municipal legislative body can be accomplished at a regularly-scheduled meeting.
- Authorizing the City of Hendersonville to send such notice in combination with the property tax notice will not result in any significant fiscal impact to local government.
